

Join our team of dynamic Group Fitness Instructors!

Spectrum's legendary Group Fitness program has been an industry leader in the Southern California region for over 30 years. With an amazing team of energetic and forward-thinking class instructors, Spectrum Group Fitness provides a superior experience to thousands of members every single day!

We are currently seeking Group Fitness Instructors who specialize in choreographed formats, with special opportunities for instructors certified in the Les Mills International **BODYPUMP™** and **CXWORX™** programs.

WORKING AT SPECTRUM:

Our Group Fitness Instructors provide energy and enthusiasm that helps promote our CORE values, and encourages members to meet their fitness goals!

Group Fitness Instructors provide a superior customer experience to more members than any other department, therefore we require high professionalism, great attitude, and expertise in current fitness trends and programs.

OUR CLUBS:

Spectrum Clubs are located in a variety of locations throughout Los Angeles and Santa Barbara, including beach front locations! Employees receive superior benefits, including all-club access.
